

# ARTICLES

When you search for an item, Encore will automatically include results from some of our reference databases. Article results will generally appear in the middle of your search results:

## Top results for articles

### Attention: Harry Potter-Themed Hotel Rooms Are Now Available.

People.com, Oct 30, 2014, p. 1

Database: MasterFILE Complete

Additional actions:

### "Something he could do without being taught": Honors, Play, and Harry Potter.

YAGER, SUSAN

Honors in Practice, Jan 01, 2015; Vol. 11, p. 213-222

An essay is presented on the popularity of the Harry Potter book series by J. K. Rowling... [more](#)

Database: OmniFile Full Text Select (H.W. Wilson)

Additional actions:

You can also search only for articles by clicking on the "Articles" tab toward the top of the results page:

The screenshot shows a search bar with the text "harry potter" and a play button icon. Below the search bar is a link for "Advanced Search". Below that are two tabs: "Catalog" and "Articles". The "Articles" tab is highlighted with a yellow circle and a yellow arrow points to it. Below the tabs, the text reads "Results 1 - 25 of 70 for harry potter". At the bottom, there is a sorting option: "Sorted by Relevance | Date | Title".

You can view the full article by clicking on the "PDF" or "Full Text" button to the right of the article title.

Please note that this search does not search ALL of our databases. To see a full list of databases that the library offers, visit our Digital Resources page ([www.lakeblufflibrary.org/digitalresources.htm](http://www.lakeblufflibrary.org/digitalresources.htm)).
