Other Features of Note

- Click on the “Sort by Due Date” button to sort your items by due date.
- Regular users may remember that our previous system would not allow you to renew an item online if it had previously been renewed. We are happy to report that is no longer an issue—renew away!
- If you’ve forgotten how many renewals you have used, the Status column provides you with a current count of renewals, as well as the date that you last renewed the item.
